PROFESSIONAL SUMMARY

Results-driven Full Stack Developer with over 1.5 years of commercial experience designing and delivering scalable web applications across the full development lifecycle. Proficient in Next.js, React.js, TypeScript, PHP, Laravel, and WordPress. Strong background in RESTful API development, responsive UI implementation, and CMS-based solutions. Experienced in Agile environments with a track record of cross-functional collaboration, performance optimisation, and maintaining high code quality. Passionate about modern development practices and continuous learning.

TECHNICAL SKILLS

Languages: JavaScript (ES6+), TypeScript, PHP, HTML5, CSS3, C#

Frameworks & Libraries: Next.js, React.js, Laravel, WordPress

Databases: MySQL

Tools & Platforms: Git, GitHub, Postman, Microsoft Azure

Practices: RESTful API Development, Responsive Web Design, Performance Optimisation, Code Review, Agile / Scrum, Cross-functional Team Collaboration

WORK EXPERIENCE

Executive Full Stack Developer

November 2025 – May 2026

INSK Group (Pvt) Ltd | Colombo, Sri Lanka | Full-time

- Developed and maintained production-grade web applications using Next.js, React.js, TypeScript, PHP, and WordPress.
- Designed and implemented responsive, accessible frontend interfaces aligned with UI/UX best practices.
- Integrated third-party and internal RESTful APIs to deliver seamless end-to-end application functionality.
- Managed CMS-based solutions via WordPress, including custom plugin development and theme customisation.
- Conducted performance profiling, debugging, and code reviews to uphold quality and maintainability standards.
- Collaborated within a cross-functional Agile team, contributing to sprint planning, architecture discussions, and timely delivery.

Software Developer Intern

October 2024 – July 2025

Amirida Pvt Ltd | Batticaloa, Sri Lanka

- Built and maintained web applications using React.js, Laravel (PHP), and MySQL in a professional team environment.
- Developed RESTful APIs and integrated backend services with dynamic React.js frontends.
- Implemented responsive UI improvements to enhance cross-device compatibility and user experience.
- Used Git and GitHub for version control, participated in code reviews, and collaborated on feature branches.

PROJECTS

E-Library System - *React.js · Laravel · MySQL* <https://github.com/Livinston-Bran/E-Library-System>

- Designed and built a full-stack web-based library management system supporting digital reading, book cataloguing, and user management.
- Developed an intuitive React.js frontend with dynamic rendering and seamless user interactions.
- Engineered a Laravel backend with RESTful APIs handling authentication, book records, borrowing workflows, and user role management.
- Implemented MySQL database schema with optimised queries for efficient data retrieval and storage.

E-Commerce Website - *HTML5 · CSS3 · JavaScript* <https://github.com/Livinston-Bran/E-commerce-web-page>

- Developed a fully responsive, cross-browser-compatible e-commerce website for a business client.
- Applied modern UI/UX principles to deliver intuitive navigation, product browsing, and visual presentation.
- Integrated high-quality media assets and interactive JavaScript components to maximise user engagement.

EDUCATION

HND in Information Technology

May 2022 – April 2025

SLIATE – Sri Lanka Institute of Advanced Technological Education | Batticaloa, Sri Lanka

- Coursework covers software engineering, database systems, web technologies, and object-oriented programming.

CERTIFICATIONS

- **Google Cloud Computing Foundations** - Google
- **Full Stack Web Development** - University of Moratuwa Open Learning
- **Software Development** - Future Career Bridge, SLASSCOM
- **API Security Fundamentals** - APIsec University
- **Quality Assurance Bootcamp** - SLASSCOM Academy

LEADERSHIP & COMMUNITY

- **Microsoft Student Ambassador - Microsoft Learn** Oct 2023 – Nov 2024
- **Postman Student Leader - Postman** Nov 2023 – Present
- **Startup Ecosystem Builder - Generation ALPHA (PVT) LTD** Jan 2024 – Dec 2025
